SECTION D - COST ESTIMATES

(Enter cost estimates for making available to shelterees the total quantities of potable and non-potable water shown in Columns (1) and (2) of Section C. Estimates are for planning purposes, only, and will be tased upon the best on-site information readily available. Include under "Remarks" a brief description of modifications and major features contributing to the costs. If desired, a simple sketch may be attached)

SECTION B - SEWERAGE SYSTEMS (Section E will be completed only when quantities are shown in the "Potable" column in Section C)

1.	Estimated sewage quantity:	84 Gal/day	
	(Use 1 gal/day/space for the number of shelte Note: This figure is assumed for the purpose includes an allowance for flushing).	r spaces shown in Item B-1. s of this survey only, and	
2.	Estimated capacity of sewer main(s) from building:	1,064,000 Gal/day	
	(Include existing sanitary, storm and/or other by gravity flow, only. Do not include flow fr in building unless stand-by power is available	rom a sewage lift station	
3.	Water closets available to shelters:	52 Units	
	(Include all water closets within or accessible the building without direct exposure of person	le to the shelter areas in manel to radiation).	
4.	Estimated modification costs:	\$ 0	
	(Modifications will be considered only when entry in Item 2 is less than Item 1, above; or when shelter area(s) have no access to a gravity sewer or storm drain without direct exposure of personnel to radiation. Include modifications, such as the addition of a "wye" or "tee" for access into the line. Do not include items such as major extensions to or re-routing of existing lines, or addition of pumps or power for pumping. Cost estimates are for planning purposes, only and will be based upon the best on-site information readily available. If desired, a simple sketch may be attached).		
	Remarks: (Include brief description of proposestatement as to remaining deficiency, if any, Item 1, above).	sed modifications and to meet requirement in	
		and the state of the second
